

10 Reasons Why Companies Choose to Partner With PaysOnline

Payroll is an essential part of business, playing an important role in compensating your greatest asset - hardworking employees. PaysOnline is a managed payroll service and our team of payroll specialists have been helping clients process payroll the way they should be since 1995. Outsourcing your payroll can help your business in several ways. Here we have compiled a list of the Top 10 reasons why companies recommend outsourcing your payroll to PaysOnline.

Cost Effective

Processing your payroll “in-house” can be costly with many factors to consider; from recruiting and training costs, to outlying a full-time salary, completing payroll internally can quickly drain valuable resources. Outsourcing to PaysOnline means a reduction in costs and an increase in expertise. For a bespoke solution suitable for your business - request a meeting with one of our solution specialists.

Efficiency

Perfect payroll processing takes time and attention to detail. With an ever-evolving regulatory climate, rushing to complete your payroll isn't best practice and can lead to mistakes and compliance issues. PaysOnline's Best Practice Solution grants your business access to our team of payroll experts and advanced technology meaning your payroll will be processed as it should.

Empower Your Employees

The PaysOnline platform empowers your employees by enabling them to stay in charge of their information. Employees can update and keep track of their personal information using our Employee Self Service (ESS). The PaysOnline console is available 24 hours a day - 7 days a week - and can be accessed from anywhere in the world - with an internet connection of course!

Secure Storage of Data

Cut down on paper wastage and eliminate the hassle of paper files by securely storing your employee's data in our PaysOnline cloud-based system. With PaysOnline, you can take comfort in knowing that your employee's personal information is stored securely and with care. The PaysOnline solution also draws its information from a single data source - from HR to Hours worked - we ensure the data is as accurate as it can be.

Backed by a Team of Experts

PaysOnline have been making payroll deadset boringly correct for over 20 years. We relieve you of the pressure of paying your employees, meaning you can focus your attention back to where it really matters - your business. Backed by a team of experienced payroll experts you can rest assured that help is only a phone call away if needed.

All businesses - big or small

Whether you're a business with as many as 5,000 employees, or a small business with only 1 employee; PaysOnline can tailor a payroll solution for you.

Compliance by Design

Payroll and Compliance go hand in hand. With ever changing rules and regulations, the Australian payroll climate can be intimidating to even the most experienced. Our team of payroll professionals live and breathe payroll and are experienced in Australian regulation and legislation; this means you can trust that PaysOnline is helping your business remain compliant.

Accuracy

PaysOnline streamlines the payroll process by offering clients several ways to collect employee's hours worked and transferring this data into the timesheets automatically. The PaysOnline solution greatly reduces errors, time theft, and miscalculation of hours.

On Demand Reporting - Data at your Fingertips

With access to over 250 different reports, PaysOnline enables you to make changes when and where you need them. The PaysOnline reporting and enquiry centre gives you access to reports including Pay Details, Pay Totals, Payslips, Bank Transfers, Employee Audit Data, and Pay Total Reconciliation just to name a few.

Ease of use

When clients sign up to PaysOnline they aren't left confused by outdated technology and hard to navigate dashboards. Users are guided through implementation by their designated payroll expert who teaches them everything necessary to run their payroll as efficiently as possible.

"Switching to PaysOnline has turned our previous payroll nightmare into a fast, efficient payroll system. The way it should be! Not only do we save time each week on processing and paying staff, we are also saving as the cost is less than our previous provider! Thank You PaysOnline."
